SANDY CREEK CAR BOOT SALE

It was a fine sunny day for the Sandy Creek Uniting Church car boot sale held on Saturday 7th October. A steady flow of visitors toured the twelve well stocked sites. Peter Dayman was kept busy at the barbeque where Leslee Carle was serving sausages and hamburgers.

Buskers Andrew and Arlo Yip, with a friend entertained the crowd and generously donated their takings to the church's fund raising effort to support the Pastoral Care Worker at Sandy Creek Primary School.

Lynette Dayman made good sales at her ever popular cake stall, raising \$744 for the Pastoral Care Worker Fund. Other donations to this fund totalled \$170, including the proceeds from the buskers. The helpers in the church hall were kept busy supplying Devonshire morning teas, raising \$211 for the work of Frontier Services which provides pastoral care to people living and working in remote places in the outback, Tasmania and the Snowy Mountains.

David and Fran Taplin's book stall raised \$140.

In addition, the recently held Wildflower Walk raised \$200 for the Pastoral Care Worker Fund. This fund provides extra hours for Isaac Troup at Sandy Creek Primary School.

Church members were very pleased with the success of their car boot sale. Church secretary Leslee Carle thanked all the helpers and the community for their support for this event. The church will celebrate its 119th anniversary with a special service on the 19th November.

The next outdoor event to be held by Sandy Creek Uniting Church will be the Nativity Service in the bush chapel on Sunday 17th December at 7.30pm.

SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years.

The Southern Barossa Men's Shed (SBMS) welcomes men from all walks of life to attend our Shed, you can participate in a range of activities in the workshop if that is your desire or you can simply turn up for 'a cuppa' and socialise with others in a non pressured setting. The Men's Shed does not follow a strict format but it does encourage fellowship. Projects are also undertaken which benefit the community.

Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all ex-

amples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. There is an emphasis on 'having a go' with projects but there is no pressure, it is most important for men to enjoy the activities, have a sense of belonging and feel happy in the Shed environment.

Men with an interest in the activities of the SBMS are welcome to attend on Tuesdays and Wednesdays between 9am -1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

Lyndoch Group

Lyndoch Red Cross members are not having the standard meeting in November, instead they are preparing a monster Christmas Raffle on Thursday 9 November at 11am.

Stay tuned for details on when and where to buy tickets!

If you have any further enquiries please contact Monica Wohlstadt, Group Coordinator on 0403 360 468.

Budburst 2023

Budburst this year was part of the Live and Local Music Festival and held at Chateau Yaldara.

About 300 people over the evening appreciated the wonderfully talented young performers, while participating venues throughout Lyndoch were also packed with music lovers.

Southern Barossa Coffee n Chat

I joined the delightful and friendly bunch of ladies at the Lord Lyndoch for the October Coffee and Chat get together. Coincidentally, the first ever meeting of the group was at the Lord Lyndoch back in 2016. Two well known locals, Judy Nielson and Jeanette Brinkley, saw a notice on the Lyndoch noticeboard requesting a walking partner. This sparked the idea which ended up being the Coffee and Chat Group as a way to provide a fun social connection to those who want it.

Many friendships have been forged over the years, attendees tend to sit next to different people each time ensuring lively and interesting discussion for all. It's been a good way for those new to the Southern Barossa to get to know people and has ended up

being a marvellous social service for our community. There were 14 ladies enjoying delicious coffee and tea at the Lord Lyndoch last month, with a minimum of 10 attending each month. It's not exclusively a women's group, with men attending on occasion.

The details of each monthly Coffee and Chat are published in The Grapevine and Willy Wagtail each month, with venues generally alternating between Lyndoch and Williamstown. This year's Christmas Lunch will be held at the Monkey Nut Café on 14 December at 2.30pm.

COMMUNITY LEADERSHIP PROGRAM

Volunteer Engagement Workshop

Learn how to attract, motivate and retain volunteers

Attracting volunteers? It's not as easy as it sounds. People are busier than ever. Plus, if organisations don't provide a clear role, a pat on the back, or the right tools, even the most passionate volunteers can feel left out and move on. To keep volunteers coming and staying, it's all about making the experience worth their while. Whether you're a community group, sporting club, men's shed, art group, RSL or any non-profit entity, you'll learn the skills you need to attract, motivate and retain volunteers in this exciting 3-hour workshop facilitated by NFP Success.

- **Engagement techniques** - Master the art of attracting, motivating, and retaining dedicated volunteers
- **Policies and strategies** - Create a clear framework for your volunteers that gives clarity and keeps them safe
- **Harness team dynamics** - Learn how to celebrate collective successes, fostering a culture of appreciation and mutual respect

Reflection Sofa Opening, 26 November at 3.00pm.

The sofa is in position on the Lyndoch Village Green with the mosaic in the final stages of completion. This will be a place to reflect and connect, a reminder to reach out for help or reach in for help. A tribute to people impacted by suicide loss and a belief that each life matters.

This project was funded by a grant from Black Ride Australia, with additional support from The Barossa Council and is coordinated by Seeds of Hope Suicide Prevention Network, whose vision is to build a compassionate, connected and resilient community free of suicide.

Members of the Southern Barossa Community are invited to attend the launch of the sofa on Sunday 26 November at 3.00pm (see invitation on page 23). This will be part of a rolling launch, with the Angaston Sofa officially opened at 10am, Mt Pleasant at 12.30pm.

The Lyndoch Community Committee will be supporting the Lyndoch launch and offering

On the Grapevine

afternoon tea from 3.00pm to 4.30pm.

The sofas are each a magnificent work of art designed and put together by dedicated community members over several months under the guidance of renowned Barossa Mosaic Artist Kristen Wohlers.

The design shown at the top of the invitation is the front of the backrest of the Lyndoch sofa.

We hope to see you there on Sunday!

Diana has kindly let us use some of her striking photos for the cover of *The Grapevine* over the years and she often shares them on the Lyndoch Community Noticeboard.

LYNDOCH HISTORICAL SOCIETY

The last meeting for the year will be celebrating Lyndoch's Naming Day on 13th December at 6.00 p.m. in the Lyndoch Library Meeting Room. The topic will be the early history of the Jacob siblings, William, John and Ann, who settled at Moorooroo

Ann Jacob's Diary Extract (1840 Bushrangers)

Jan 27 Capt Truman of the Police and Mr Edwards called in the afternoon to tell us 3 Bushrangers were in the neighbourhood and would most probably come to rob us.

28 Prepared for the Bushrangers in the evening expecting them every instant but they were prevented by William, Mr Morphett and Mr Rowlands passing close to them on horseback coming to this house at about ½ past eight, about nine Capt Truman came and continued two hours looking for the men but in vain could only see their fires

29 The three left us for an excursion round this part of the country (a Man sent into town with an order for more Police)

30 Dray left for town with Sands and his Wife, Capt Truman and three Policemen to sleep.

31 William, Mr Morphett & Rowlands returned to dine. Capt Truman came in the evening with his three men

Feb 1 All but two Police who were left to guard the Station left for Adelaide, two others being left at Capt Halls

4 The two men from Capt Halls came to remain here.

6 Dray returned with William's Party and Mrs Sands 2 Bushmen taken by police to Halls

7 Made the last cheeses, 2 bullocks killed, William here

8 The Police men recalled

LYNDOCH EVAPORATOR

The October 'Grapevine' included information supplied by the Lyndoch Historical Society regarding the Lyndoch Evaporator that existed during the 1920s. Kies family owned the property during the Great Depression. Several follow up inquiries were received.

The building no longer exists as it was demolished. Its location was on Lot 13 Lyndoch South, on Gilbert Street between John Street and the CFS Station. It was part of the District Council of Barossa's Storage Depot area. Residents took their empty bottles and newspapers there for recycling.

The Society has a photograph of staff who worked there. Some persons not known perhaps identification will become available.

1837 BAROSSA

Our winery 1837 Barossa commemorates the date on which Colonel William Light, founder of Adelaide and first Surveyor-General of South Australia named the Barossa in December 1837.

The Barossa Colonel Light Monument, a life-size bronze statue of Colonel Light on horseback honours the birthplace of the Barossa on the estate. Our label is symbolizing Colonel Light pointing towards the Barossa Range when naming them in 1837.
