SOUTHERN BAROSSA MEN'S SHED

The Men's Shed is a concept which is growing in popularity and increasing in number in Australia and around the globe. It provides an outlet for men, much in the same way that the backyard shed has in Australian culture over many years.

The Southern Barossa Men's Shed (SBMS) welcomes men from all walks of life to attend our Shed, you can participate in a range of activities in the workshop if that is your desire or you can simply turn up for 'a cuppa' and socialise with others in a non pressured setting. The Men's Shed does not follow a strict format but it does encourage fellowship. Projects are also undertaken which benefit the community.

Making or repairing furniture or homewares or toys, mending and fixing motors, renovating bicycles, arts and crafts, all examples (but certainly not the limits) of the activities that can be undertaken at the Shed depending on the knowledge and skillset of the members. There is an emphasis on 'having a go' with projects but there is no pressure, it is most important for men to enjoy the activities, have a sense of belonging and feel happy in the Shed environment.

Men with an interest in the activities of the SBMS are welcome to attend on Tuesdays and Wednesdays between 9am-1pm. at the rear of Wirraminna Little Shop of Treasures on Queen Street, Williamstown.

Any enquiries relating the shed, membership or the hire of the meeting room (attached to the workshop) can be directed to Glen Venning on 0409 675 937.

LYNDOCH HISTORICAL SOCIETY

The Barossa Council has recently been hosting a delegation from the Sister City of Grapevine, Texas who was in the area during the Vintage Festival.

Thirty-seven years ago, as part of the State's Jubilee 150 in 1986 the District Council of Barossa decided to twin Lyndoch with Georgetown, Texas and in February American visitors were welcomed to Lyndoch. During the year residents from Lyndoch made return visits to Georgetown. An album of information was exchanged, and a welcome was held at the District Council Memorial Building.

As part of cultural celebrations on 31st October Lyndoch followed the American tradition of Halloween "Trick or Treat" night. 100 children dressed as ghosts, witches, skeletons, cats, and Dracula caused a lot of excitement. A special feature was Roy Malone's "haunted" house on Jollytown Road with music and lights that gave it an authentic appearance.

On 18th December the official naming and dedication of "Georgetown Reserve", Lyndoch was held to commemorate the twinning of Lyndoch and Georgetown, Texas, during the Jubilee 150 celebrations.

Love the place we live

We are a group of local residents who passionately love our town and work together to make Lyndoch a great place to live.

The committee is involved in various community events such as the Christmas Party, Lyndoch Market sausage sizzles, Budburst event and anything where there's a need for community involvement.

We would love to welcome more people along to help in our great community.

Meetings are usually held on the first Thursday of every month at 6.30pm in the Lyndoch Meeting Room at the back of the library. The next meeting will be 7th September.

Lyndoch Produce & Garden Share

Calling all gardening enthusiasts and food lovers! The Lyndoch Produce and Garden Share will return from winter break in September.

Join us on the last Sunday of the month to exchange surplus home-grown food, seeds, plants, and gardening tips.

Where: Meet at the undercover picnic area in-between the Lyndoch Institute rear carpark and the Lyndoch creek.

When: Sunday 24th September. Arrive from 10am ready for sharing at 10:15am

What to bring:

- excess homegrown fruits, veggies, herbs, flowers, seeds, seedlings or cuttings
- eggs (please date)
- homemade jams, pickles or baked goods (please include an ingredients list)

On the Grapevine

- anything that would help others to grow and preserve their own food eg. plant pots, preserving jars, worm castings, sourdough starters etc.

- non-edible plants, divisions or cuttings, including indoor plants

Whether you have a thriving veggie patch or a few potted plants on the patio, every contribution counts. Anyone interested in starting their own edible garden is most welcome to attend for encouragement and advice.

Please follow the **Lyndoch Sustainable Community** group on Facebook for future events.

Lyndoch Local Diana Dancer has been very generous in allowing us to use some of her magnificent photos for our cover over the years. She has now made up the **2024 edition of her annual calendar.**

A PORTRAIT OF LYNDOCH · 2024 CALENDAR

For those wishing to purchase the calendar, they will be available at participating local retailers, at her garage sale and the Lyndoch Community Market. The estimated price is around \$18 with any profit donated to Barossa Wildlife Rescue.

The community can have their say on a proposal by NRMA to install an **electric vehicle (EV) charging facility at the Nuriootpa Soldiers Memorial Hall.** NRMA approached The Barossa Council earlier this year to explore potential Council sites in the vicinity of Nuriootpa, after establishing its first site at the Barossa Visitor Centre in Tanunda in 2020.

The site is the NRMA's preferred location because of its proximity to the highway and local amenities, including public toilets and shops.

The community is invited to comment on the proposal between 23 August and 13 September 2023, with information available at barossa.sa.gov.au.

If no objections are received during community consultation, Council will go ahead with the necessary licensing arrangements.

Lyndoch Group

We hope everyone is enjoying the sunny days we have been having of late. Our next Lyndoch Red Cross meeting will not be held until the **9th of October** behind the library in the meeting room at **2pm**.

We would like to encourage any residents who are interested and wish to contribute to the community to attend our meetings.

If you have any further enquiries please contact Monica Wohlstadt, Group Coordinator on 0403 360 468.

What is Your Lyndoch Community Committee Doing?

The Lyndoch Community Committee are a bunch of friendly locals that are passionate about our town. They operate as a sub-committee of the Southern Barossa Alliance and have the backing of The Barossa Council.

Current projects include:

Organising the **Lyndoch Whole Town Garage Sale**. They'll be at the Lyndoch Community Markets on 9 September handing out maps at their regular Sausage Sizzle stall. Come and say Hi!

Its also getting close to the annual **Budburst Concert**, with arrangements in full swing. Set up to give young singers and musicians a chance to perform to an appreciative crowd and celebrate the pleasures of Spring, this year the concert will be held on Saturday 28th October at Chateau Yaldara's Reception Centre.

It's also not too early book the stallholders and entertainment for the **Lyndoch Christmas Party**. As more than 2000 people attended last year, there's a bit of effort that goes into making it so popular for families from Lyndoch and beyond.

But the Committee does more than organise these events for the benefit of the community as a whole.

Watch this space for details on a mural in town that has been a long time in the planning!

They have also lobbied for and are working with The Barossa Council on plans for an upgrade of the **Village Green**. Several community consultations have already taken place with funding granted for the planning process. This has been delayed temporarily to ensure that any changes align well with the Big Project plans for Lyndoch Recreation Park. Representations have been made to the Council on this as well, via the Southern Barossa Alliance.

They're always looking for fresh ideas and more people that share their passion for the community. If you want to be involved, come along to their next meeting on **Thursday 7 September, 6.30pm** at the meeting room at the back of the Library.

1837 BAROSSA

Our winery 1837 Barossa commemorates the date on which Colonel William Light, founder of Adelaide and first Surveyor-General of South Australia named the Barossa in December 1837.

The Barossa Colonel Light Monument, a life-size bronze statue of Colonel Light on horseback honours the birthplace of the Barossa on the estate. Our label is symbolizing Colonel Light pointing towards the Barossa Range when naming them in 1837.
