TUNGKILLO GAZETTE

Summer Card Luncheon 2023

Our first card luncheon for 2023 was held on Thursday 16th of February. It was a very special day as our oldest card player Ross Vogt turned 100 years old the day before cards. Ross comes all the way from Kapunda to play a game of 500 at the Tungkillo Soldiers Memorial Hall every second month on the 3rd Thursday of that month. Ross loves his cards & wins quite often. Ross was very delighted with his birthday message from King Charles the third, apart from the fact they spelt Ross's last name wrong & had to resend the message. (You would have thought they would have made the effort to get it right.)

Elaine Day made & decorated a lovely carrot cake especially for Ross, which he was very pleased with. Ross doesn't drive anymore & apart from his hearing not being as good as it used to be he still lives on his own & manages quite well.

A lovely lunch of cold meats & salads was enjoyed by 29 card players & 6 helpers, followed by jelly, cheesecakes & fruit salad & icecream for dessert. Finishing off the day with a delicious afternoon tea of the birthday cake & pavlovas.

Winners on the day were:

Men: Ian Schubert.

Ladies: Freida Jantke.

Losers/Boobies: Men: Keith Burgemaster. Ladies: Glad Schulz.

Erna as usual won the game of Rummikin with Margaret & Daryl tying for 2nd place.

20th April 2023 is the next card luncheon, looking forward to seeing you all there.

Joyleen Burton

Secretary of the TPC Inc.

TUNGKILLO GAZETTE

G'Day, I am Victoria Hammond and I am one of the recently elected Councillors for the Shearer Ward of the Mid-Murray Council and the newly appointed Council Representative for the Tungkillo Progress Association.

I moved to the region five years ago with my little dog, Pebbles McGee. I moved to the Mid-Murray as I have a deep respect for our mallee, our waters & our rivers & for our traditional owners and elders past & present and their continued connection to country. I am a Permaculture Landscape Designer with a career background in sustainable agriculture, permaculture design, visual art, design & community arts facilitation. I also sing and play the ukulele in my spare time.

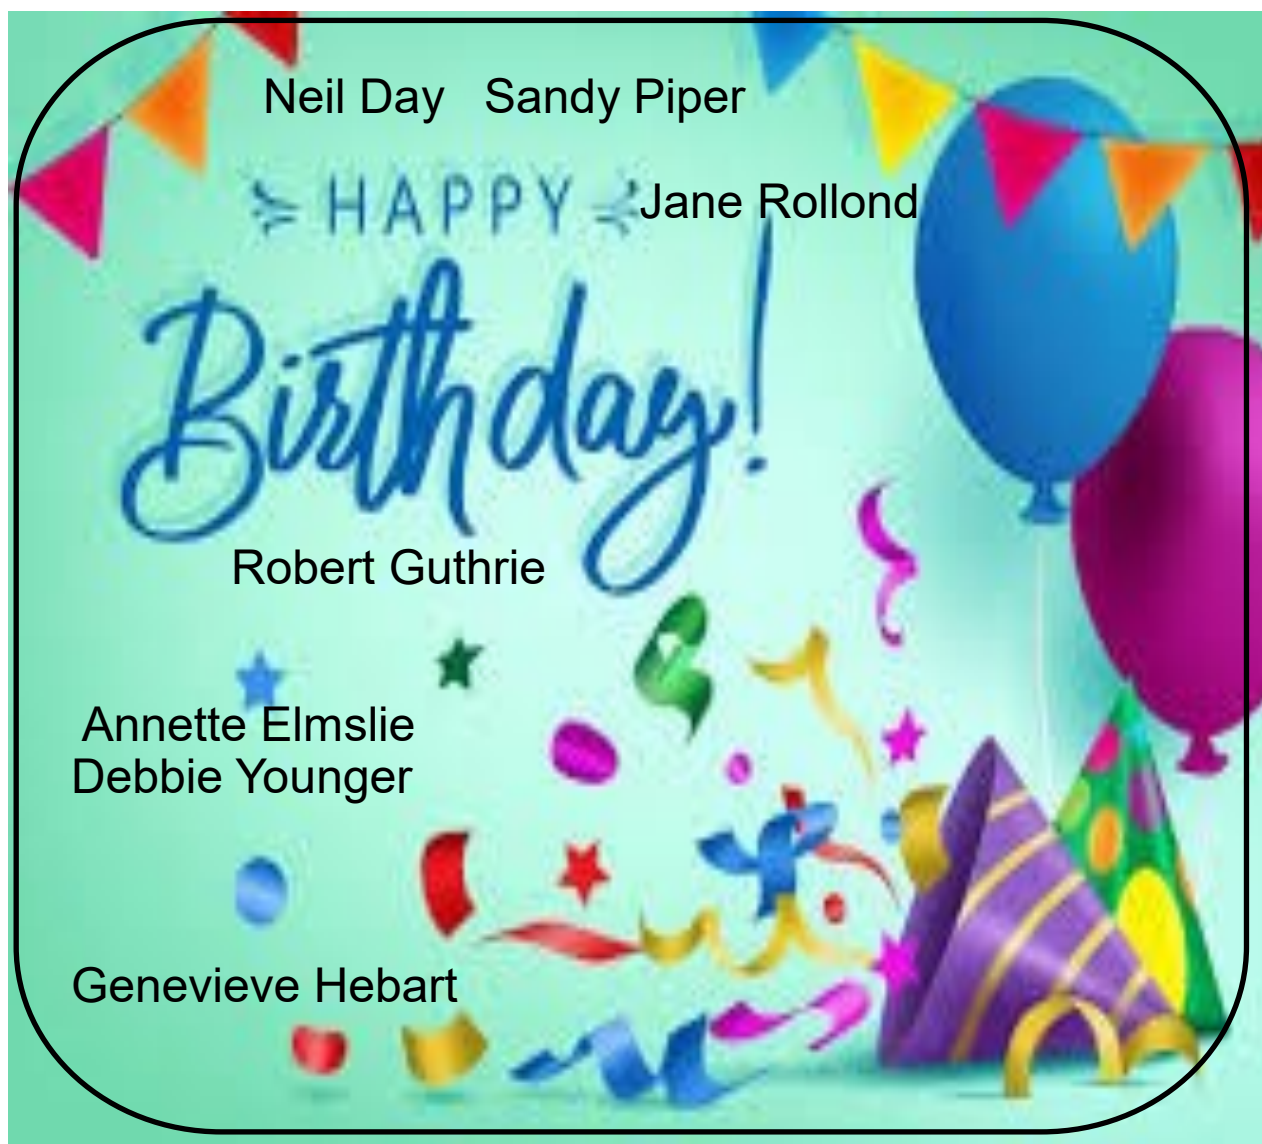

I am passionate about maintaining our local parks and reserves, preserving our significant local habitat spaces & indigenous cultural sites. I am an enthusiastic go-getter and a small business owner that wants to help see our beautiful region thrive. I work with integrity, inclusion & cultural understanding at the heart of all that I do. One of my aims within my role on Council is to help grow & diversify our regions economy through the creation of exciting new arts initiatives & stronger, more resilient environmental and sustainability policies. Above all, I aim to listen to the needs of our broader Murraylands community & will always act in their best interest. I am a motivated person with many great plans for the future & I am excited to work with the Tungkillo Progress Association to assist the group to realise theirs.

You can email me at crvhammond@mid-murray.sa.gov.au

Tungkillo Progress Club Inc., would like to welcome our new Committee Member, Sue Simpson and also thanks Mark Fox for nominating to be on the committee. Our committee is now full.

MARCH

Wishing everyone a very happy birthday and if your birthday is in MARCH and we have missed it we are sorry and would like you to contact the gazette and we will add to our list.

Bushfire Protection in MID MURRAY COUNCIL AREA

The upcoming bushfire season is expected to commence on 15th November 2022. To be confirmed as the Fire Danger Season approaches.

It is noted that due to the excess rain there are already high fuel loads within the region, so it is suggested that residents/ratepayers start preparing their properties to ensure the best outcome for the season.

In the garden and around the home:

- Cut down grass and clear away any fallen branches, leaves and dead undergrowth within 20 metres of the home.
- Prune lower branches less than 1 metres above the ground to provide a vertical fuel break to help prevent ground fires from spreading into trees.
- Remove any mulch to at least 1 metre from any dwelling wall and move woodpiles away from the dwellings.
- Ensure all gutters are kept clear of leaves and twigs.

Rural Living - On rural properties, prepare and maintain fuel breaks around fence lines, buildings, equipment sheds, haystacks, hay sheds and fuel supplies.

Fuel reduction on vacant allotments greater than 0.03 hectares in size. It is considered that a mowed or slashed firebreak be constructed around the perimeter of the block of land to the minimum width of 4m. The flammable growth on the firebreak is to be maintained to a maximum height of 10cms for the duration of the fire danger season. However, this is only a guideline.

Residential Areas

Council is involved in a township clearance program which starts around October each year, this involves inspection of township and some rural allotments, under the South Australian Fire and Emergency Services Act 2005 section 105F.

Council can issue a Section 105F notice if:

'The Council believes that the conditions on private land in a fire district area such as to cause an unreasonable risk of the outbreak of fire on the land, or spread of fire through the land, due to the presence of flammable undergrowth or other flammable or combustible materials or substances'.

It is the Landowners responsibility to comply with the Act. Failure to comply with a notice can now incur an expiation notice of \$315, plus the recovery cost of council carrying out the work required by that notice.

It is recommended that property owners keep the height of grass on their property to a maximum height of 10 centimetres for the entire fire danger season.

Fire Bans

The 2022/2023 Fire Ban Season for the Murraylands and Riverland Districts starts 15th November to 15th April.

On days of extreme weather conditions Fire Bans may be declared for the Mid Murray Council district and other areas in the State. To determine whether a fire ban has been imposed, phone the CFS Hotline on 1800 362 361.

TUNGKILLO GAZETTE

Fire Permits

During the Fire Danger Season almost all fires in the open require permits. Applications for permits can be made at the Mid Murray Council office during business hours. **Permits will not be issued for any properties within the Hundreds of Tungkillo or Jutland, without the authority from the Local CFS Brigade Captains.**

Fires not requiring permits, other than on a Total Fire Ban Day include:

- A campfire for personal warmth or cooking purposes provided the fire is contained in a portable cooking appliance or a trench 30cm deep and the fire does not occupy an area exceeding one square metre and there is a four-metre clearance of flammable material around and above the fire.
- A fire for burning of refuse provided the fire is contained in a properly constructed incinerator and is not situated in a township within the area.
- Electric welders, mechanical cutting tools, gas equipment (such as oxy equipment) and gas or electric cooking appliances, provided there is a 4-metre clearance around the appliances and equipment.

Total Fire Ban Days

All fires are prohibited on a total fire ban day unless a permit has been issued. However, permits will only be issued in special circumstances. **Note:** Electric welders, mechanical cutting tools and gas appliances require a permit before they can be used in the open on a day of a total fire ban.

The penalty for lighting a fire in the open without a permit on a total fire ban day is \$10,000.

Backyard Burning (Outside the Fire Danger Season)

Burning in the open is regulated by the Environment Protection Authority, within the Environment Protection (Burning) Policy 1994 in accordance with the Environment Protection Act 1993.

Residents are permitted to burn dried gardening pruning's, dry paper, dry cardboard, or dry timber on their domestic premises, between the hours of 10.00am and 3.00pm from Monday to Saturday.

The fire must not be lit before 10.00am and must be completely extinguished by 3.00pm. Burning is not permitted on Sunday or any Public Holiday.

It is important to ensure that the material being burnt is completely dry to ensure a quick, clean burn and therefore minimising the amount of smoke produced from the fire. The burning of damp, wet or green garden pruning's, leaves or other material is not permitted.

Backyard Burning (Within the Fire Danger Season)

During the Fire Danger Season, residents are not permitted to burn any materials on domestic premises, without first obtaining a permit to do so in accordance with the Fire & Emergency Services Act, 2005. These permits may be issued by the Mid Murray Council's Fire Prevention Officers.

Bushfire Survival Plans

You and your family's safety and survival during a bushfire will depend on how prepared you are, and the decisions you make. You are strongly recommended to prepare your Bushfire Survival Plan Now and can do so by connecting to the CFS website via the following Link.

<https://www.cfs.sa.gov.au/prepare-for-a-fire/make-a-plan/bushfire-survival-plan/>

BINGO IS BACK!

32 people enjoyed another fun bingo evening at the Tungkillo Soldiers Memorial Hall, on the 25th February 2023, a great night to start the year off.

Good to see a few new faces & all the regulars back for 2023.

The Lintern/Bolton families had an amazing night with Lawrie Lintern winning the meat tray, his daughter Debbie winning the end bingo game of \$70.00 & Lawrie's granddaughters Isabelle & Maddy winning raffle prizes.

Other raffle prize winners on the night were Nadene Newman, Anne Reynolds, Rob Menke, Deb Hicks, William Melbourne & Maxine Borchardt. Congratulations to all these winners & to all the winners of the Bingo games! Well done.

A big thankyou to Danielle & Martin Crowhurst, Malcolm & Anne Reynolds & Joyleen Burton for the raffle prizes they donated on the night.

Thanks again to Mandy Lintern for being our caller on the night & keeping everyone entertained.

Saturday the 20th of May 2023 is the date to keep free for Tungkillo's next bingo night.

Also don't forget Palmer's bingo night on the 22nd of April 2023.

Joyleen Burton Secretary of the TPC Inc.

To the members of the Tungkillis Progress Club.

On behalf of Max Rolland & myself, I would like to sincerely thank you for voting Max as the winner of the 2022 Christmas lights.

Max was thrilled to receive this honour and especially excited to receive your generous prize money of \$400!!

This is a wonderful initiative by the progress club, and we really encourage even more of you to get involved this year.

We had so many positive comments from people passing through Tungkillis, how wonderful it was seeing our small town 'lit up'.

Just for the record, when Max came 2nd in 2021 & won \$200, he spent most of the money on buying more lights on sale from Cheapo's Chips, in anticipation for the Christmas ahead.

He worked tirelessly for 2-3 weeks sorting them out & setting them up at his Nana's house (Barb). The only thing he asked for help with was placing them on the windmill. (Thank goodness!).

A huge congratulations also to 2nd & 3rd place winners and thank you for participating.

Lastly, a ~~huge~~^{massive} thank you to Mandy Lintern for organising (& cooking) the BBQ on presentation night and for those who assisted with salads, desserts etc.

It was a huge success and Max & I look forward to seeing many more houses 'lit up' this year.

Kindest Regards,

Jane.

Bring it on Tungkillis!!
