TUNGKILLO CARD LUNCHEON

Another very successful card luncheon held on Thursday 18th of August, with 30 happy card players & 3 helpers enjoying a yummy variety of casseroles, hot pots & savoury pies, followed by delicious puddings & apricot & peach pies for dessert.

As usual the day finished off with afternoon tea, Mandy Lintern provided a delicious variety of slices, which were very much appreciated, thanks Mandy.

Also thanks to Maureen Torrans, Sandy Piper & Meredith Baynes for the raffle prizes, food & always being there to help on these busy days.

Thanks Marylon Schumacher for various hot pots.

Last of all thanks to card players Carole Evans, Vicki Silvestri, Vi Mitchell, Maria, Clem Bormann, Neil Collett & Shirley Klose for all you do to help out on these card luncheon days.

All help is very appreciated, we couldn't put these days on without your help.

Congratulations to the winners on the day.

Eleanor & Kevin. **Cards**

Erna for the game of Rummie.

The Boobies/Losers on the day. **Cards**

Raelene & Keith.

Karen & Marg tied for 2nd in Rummie.

See you all again on Thursday 20th October.

Joyleen Burton Secretary of TPC INC.

Can you help?

My name is Woody

About me
 I am a good mouser and am toilet trained.
 I love being patted and would make someone a good pet.
 Although the Men's Shed is a great place, and there are lots of pats and warm laps. I really need a forever home.
 Do you have a place for me?

Please contact 0430 026 993

Community Consultation

TPC INC. Committee are looking at removing the asphalt at the Tennis Courts and replacing with lawn. Would like to hear from anyone within the Tungkillo Community for ideas or concerns of this project.

Email tungkillogazette@gmail.com

We appreciate the community members that have commented already and these have been discussed at our committee meetings and placed on the Special meeting agenda for 7th November just before the AGM.

Please keep sending in your concerns or what ideas you think should be done on this site.

Candidates for Council Election – Mid Murray Council, November 2022

Mayor

1 Vacancy

BAILEY, Simone

MYERS, Kevin Paul

BURGESS, Dave

Councillors for Shearer Ward

TOCZEK MCPEAKE, Mandy

MACGREGOR, Kirsty

ALL ELECTED

HAMMOND, Victoria

GLADIGAU, Kelly

At the Tungkillo Progress Club Inc meeting last night 12th September, 2022 we had 3 Councillors for the Shearer Ward – Mandy, Kirsty and Victoria. Also Simone Bailey came along to advise that she is running for the Mayor position. It was interesting to hear what they would like to bring to our little community, and we look forward to expressing items for the community in the future.

Due to Shearer Ward only needing 4 councillors there will be no need for elections for our ward. However we will be receiving an election paper for voting for the MAYOR.

Community education - Fundraising

ADVERTISING – for future development within our district.

RES Australia is proposing to develop, construct and operate a battery project adjacent to the existing Tungkillo Substation, approximately 8.5km east of Mount Torrens. If constructed, the project will provide up to 270 MW of on demand energy.

The project proposes approximately 216 modular battery storage units, on approximately 14 hectares of land that is currently utilised for grazing alongside Black Heath Road.

RES Australia is currently reaching out to the local community to introduce the project and seek to understand any potential impacts and opportunities that may flow from a grid-scale battery project in the region.

We would like to hear from you and seek your feedback or answer your questions.

For more information on the project please feel free to view the project website

at www.tungkillo-energystorage.com or email us at info@tungkillo-energystorage.com

Research shows that certain language may be problematic when discussing suicide or mental illness.

Consider the language you use

Issue	Problematic	Preferred
Presenting suicide as a desired outcome	✗ 'successful suicide' 'unsuccessful suicide'	✓ 'died by suicide' 'took their own life'
Associating suicide with crime or sin	✗ 'committed suicide' 'commit suicide'	✓ 'took their own life' 'died by suicide'
Sensationalising suicide	✗ 'suicide epidemic'	✓ 'increasing rates' 'higher rates'
Language glamourising a suicide attempt	✗ 'failed suicide' 'suicide bid'	✓ 'suicide attempt' 'non-fatal attempt'
Gratuitous use of the term 'suicide'	✗ 'political suicide' 'suicide mission'	✓ refrain from using the term suicide out of context

Consider the language you use

Issue	Problematic	Preferred
Certain language sensationalises mental illness and reinforces stigma	✗ Terms such as 'mental patient', 'nutter', 'lunatic', 'psycho', 'schizo', 'deranged', 'mad'	✓ A person is 'living with' or 'has a diagnosis of' a mental illness
Terminology that suggests a lack of quality of life for people with mental illness	✗ Referring to someone with a mental illness as a 'victim', 'suffering from' or 'afflicted with' a mental illness	✓ A person is 'being treated for' or 'someone with' a mental illness
Labelling a person by their mental illness	✗ A person is 'a schizophrenic', 'an anorexic'	✓ A person 'has a diagnosis of', or 'is being treated for schizophrenia'
Descriptions of behaviour that imply existence of mental illness or are inaccurate	✗ Using words such as 'crazed', 'deranged', 'mad', 'psychotic'	✓ The person's behaviour was unusual or erratic
Colloquialisms about treatment can undermine people's willingness to seek help	✗ Using words such as 'happy pills', 'shrinks', 'mental institution'	✓ Accurate terminology for treatments e.g. antidepressants, psychiatrists or psychologists
Terminology used out of context adds to misunderstanding and trivialises mental illness	✗ Terms like 'psychotic dog', using 'schizophrenic' to denote duality such as a 'schizophrenic economy'	✓ Reword any sentence that uses psychiatric or medical terminology incorrectly or out of context

- The AFDRS will go live September 1, 2022, bringing with it a consistent, science backed set of fire danger ratings across Australia.

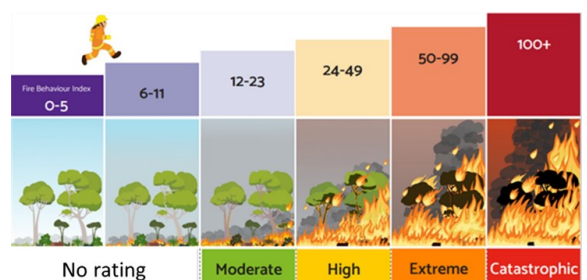

This will mean that wherever people are in Australia, or whether they are at home or travelling, the community will see a similar sign and with consistent advice on what to do at each level, while also allowing enough flexibility for agencies to meet the needs of their communities.

The four ratings are: **Moderate, High, Extreme** and **Catastrophic**. The AFDRS will also introduce "no rating" for days where no proactive action is required by community. This does not mean that fires cannot happen, but that they are less likely to move or act in a way that threatens the safety of the community.

- You may have seen signs as you approach Mt Pleasant the Bushfire Safety Signs. Each month there is a different message to remind the public of what they can do to be as prepared as possible. September's message is "Property Preparation".

MODERATE	HIGH
(replacing Low/Moderate): Plan and prepare	(replacing High/Very High): Be ready to act
EXTREME	CATASTROPHIC
(replacing Severe/Extreme): Take action now to protect life and property	For your survival, leave bushfire risk areas

The Tungkillo Progress Club Inc. will be holding their

AGM

on Monday 7th November 2022 at
the Tungkillo Soldiers Memorial Hall after the
Special Meeting at 6.30pm

Would you like to be a part of the Tungkillo Progress Club Com-
mittee, or do you know someone who does?

THE PESKY LITTLE COCKY.

Photos sent to Raelene Day from her niece Barbara.

The Cocky has no feathers and Barbara knitted a vest for him to wear to keep him warm. However over time he pecked at it and he caused it to come off. So Barbara has knitted another vest and she is waiting to see how long this vest will last.

Thank you very much Raelene for sharing these photos and story with the community.

For those that are looking for extra succulents or hardy cuttings & wanting to add to or revamp their garden, please contact the Fendlers. Marie Ph. No. 0459 699 813

TUNGKILLO GAZETTE

Bushfire Protection in MID MURRAY COUNCIL AREA

The upcoming bushfire season is expected to commence on 15th November 2022. To be confirmed as the Fire Danger Season approaches.

It is noted that due to the excess rain there are already high fuel loads **within the region**, so it is suggested that residents/ratepayers start preparing their properties to ensure the best outcome for the season.

In the garden and around the home:

- Cut down grass and clear away any fallen branches, leaves and dead undergrowth within 20 metres of the home.
- Prune lower branches less than 1 metres above the ground to provide a vertical fuel break to help prevent ground fires from spreading into trees.
- Remove any mulch to at least 1 metre from any dwelling wall and move woodpiles away from the dwellings.
- Ensure all gutters are kept clear of leaves and twigs.

Rural Living - On rural properties, prepare and maintain fuel breaks around fence lines, buildings, equipment sheds, haystacks, hay sheds and fuel supplies.

Fuel reduction on vacant allotments greater than 0.03 hectares in size. It is considered that a mowed or slashed firebreak be constructed around the perimeter of the block of land to the minimum width of 4m. The flammable growth on the firebreak is to be maintained to a maximum height of 10cms for the duration of the fire danger season. However, this is only a guideline.

Residential Areas

Council is involved in a township clearance program which starts around October each year, this involves inspection of township and some rural allotments, under the South Australian Fire and Emergency Services Act 2005 section 105F.

Council can issue a Section 105F notice if:

'The Council believes that the conditions on private land in a fire district area such as to cause an unreasonable risk of the outbreak of fire on the land, or spread of fire through the land, due to the presence of flammable undergrowth or other flammable or combustible materials or substances'.

It is the Landowners responsibility to comply with the Act. Failure to comply with a notice can now incur an expiation notice of \$315, plus the recovery cost of council carrying out the work required by that notice.

It is recommended that property owners keep the height of grass on their property to a maximum height of 10 centimetres for the entire fire danger season.

Fire Bans

The 2022/2023 Fire Ban Season for the Murraylands and Riverland Districts starts 15th November to 15th April.

On days of extreme weather conditions Fire Bans may be declared for the Mid Murray Council district and other areas in the State. To determine whether a fire ban has been imposed, phone the CFS Hotline on 1800 362 361.

Fire Permits

During the Fire Danger Season almost all fires in the open require permits. Applications for permits can be made at the Mid Murray Council office during business hours. **Permits will not be issued for any properties within the Hundreds of Tungkillo or Jutland, without the authority from the Local CFS Brigade Captains.**

Fires not requiring permits, other than on a Total Fire Ban Day include:

- A campfire for personal warmth or cooking purposes provided the fire is contained in a portable cooking appliance or a trench 30cm deep and the fire does not occupy an area exceeding one square metre and there is a four-metre clearance of flammable material around and above the fire.
- A fire for burning of refuse provided the fire is contained in a properly constructed incinerator and is not situated in a township within the area.
- Electric welders, mechanical cutting tools, gas equipment (such as oxy equipment) and gas or electric cooking appliances, provided there is a 4-metre clearance around the appliances and equipment.

Total Fire Ban Days

All fires are prohibited on a total fire ban day unless a permit has been issued. However, permits will only be issued in special circumstances. **Note:** Electric welders, mechanical cutting tools and gas appliances require a permit before they can be used in the open on a day of a total fire ban.

The penalty for lighting a fire in the open without a permit on a total fire ban day is \$10,000.

Backyard Burning (Outside the Fire Danger Season)

Burning in the open is regulated by the Environment Protection Authority, within the Environment Protection (Burning) Policy 1994 in accordance with the Environment Protection Act 1993.

Residents are permitted to burn dried gardening pruning's, dry paper, dry cardboard, or dry timber on their domestic premises, between the hours of 10.00am and 3.00pm from Monday to Saturday.

The fire must not be lit before 10.00am and must be completely extinguished by 3.00pm. Burning is not permitted on Sunday or any Public Holiday.

It is important to ensure that the material being burnt is completely dry to ensure a quick, clean burn and therefore minimising the amount of smoke produced from the fire. The burning of damp, wet or green garden pruning's, leaves or other material is not permitted.

Backyard Burning (Within the Fire Danger Season)

During the Fire Danger Season, residents are not permitted to burn any materials on domestic premises, without first obtaining a permit to do so in accordance with the Fire & Emergency Services Act, 2005. These permits may be issued by the Mid Murray Council's Fire Prevention Officers.

Bushfire Survival Plans

You and your family's safety and survival during a bushfire will depend on how prepared you are, and the decisions you make. You are strongly recommended to prepare your Bushfire Survival Plan Now and can do so by connecting to the CFS website via the following Link.

<https://www.cfs.sa.gov.au/prepare-for-a-fire/make-a-plan/bushfire-survival-plan/>

FRRR
Foundation for Rural
Regional Renewal

Australian Government

Strengthening Rural Communities Rebuilding Regional Communities

Is your community still recovering from the impacts of COVID?

With the support of the Australian Government, Rebuilding Regional Communities (RRC) grants are available to not-for-profits assisting remote, rural and regional communities to recover from, and adapt to, the impacts of COVID.

Applications that support community-led, place-based initiatives addressing at least one of these **key program objectives** will be considered:

- enhance the process of community recovery from COVID
- reduce social isolation and foster stronger, more resilient communities
- sustain local organisations and their work

Eligible projects include:

- Supporting, training or attracting volunteers
- Events & activities to reconnect communities
- Enhancing community spaces to increase use
- Developing services and support for vulnerable people
- Purchase of equipment or resources

RRC Fast Facts:

Two tiers of funding:

- up to \$10,000
- up to \$50,000*

Groups don't need
DGR status.
