RAY TORRANS

**WISHING RAY AND MAUREEN TORRANS A VERY
HAPPY ANNIVERSARY**

A Terrific Man

It was such a shock when we all learnt of the unexpected and premature passing of Tony Farrow. For those who never had the opportunity or privilege of meeting Tony, let me tell you just how much of a terrific man he truly was.

Tony was a wonderful community man and a treasured member of the Tungkillo Progress Club. First joining the committee in February 2012, he became the committees Vice President in 2015 until November 2021. Tony was still currently volunteering as an active committee member.

Tony was extremely passionate about the committee and always showed enthusiasm when we talked about our events and possible changes to the community. Always conducting himself in a professional manner at meetings and events, always smiling and interacting no matter what his role was. Tony was always available and made sure to put his name forward to assist in any way possible, even if he openly admitted that he may have lacked the skills for certain jobs.

Tony enjoyed watching the community thrive and was a very proud community man. This was very apparent at the committee meetings. He was very determined and always spoke with passion no matter the topic being discussed. The amount of encouragement and motivation he gave was endless.

Tony loved nothing more than winning the meat tray at a bingo event, but then shortly after winning would then offer to split it with everyone. But I'd have to say that Tony's biggest pleasure was his family, whom he spoke of often. Tony was an exceptionally intelligent man who was always sharing his much-appreciated words of wisdom.

The simplest pleasures in life brought great joy to Tony. He loved sitting down, with friends and chatting over a lovely glass of red wine. You could always count on Tony to arrive prepared with a bottle of red under his wing. He often spoke of his elderly dog, his love of chickens and agriculture.

Tony was an extremely kind, caring, smart and respectful man who never had a bad word to say about anyone. He was everyone's friend and when he asked you "how you were?" He genuinely wanted to know. He always gave you the time to talk and really listened. He truly cared about people and their well-being.

When I think about all the treasured memories from our conversations over the years, I'm saddened that I will no longer get the privilege to listen to your life advice and laugh at your tremendous sense of humour. Tony was a true leader and is leaving this world so much better than he found it. He was, a one-of-a-kind man and he will be deeply missed by The Tungkillo Progress Committee and surrounding community. I truly hope that we have been able to articulate the wonderful man Tony was.

The Committee would like to send their deepest sympathies to Tony's family and friends.

Rest In Peace Tony, you will be forever missed and greatly treasured.

PROPOSER

SECONDER

DATE / /

I hereby give my consent to my nomination as above

NOMINEE

PLEASE NOTE THAT BOTH THE PROPOSER, SECONDER and NOMINEE NEED TO BE FINANCIAL MEMBERS OF THE ABOVE ASSOCIATION.

THANKYOU LETTER TO THE PROGRESS CLUB INC. COMMITTEE

Attention: Progress Committee

I'm writing to you today to firstly "Thank You" for putting the photographs of my ancestors on the wall of remembrance in your Hall. These men all being identities of the OLD township of Tungkillo.

I am also speaking on behalf of many Spry Cousins, who as I, are very proud to have these men recognised in this way.

Some family from Western Australia also from New Zealand have shown interest to travel over, once borders are open, to actually see the display of memorabilia. I guess that proves how special this event is to our family.

So I thank you, on behalf of the extended Spry Family.

Yours Thankfully,

Helen Reschke (nee Spry.)

10th Jan. 2022.

11 February 2022

MEDIA RELEASE

**THE RACE IS ON TO REGISTER FOR A FUN-FILLED DAY
AT THE MANNUM FUN RUN AND WALK**

Pull on your sneakers and get ready to have some fun – the Mannum Fun Run and Walk is back for 2022 and registrations are open now.

Now in its 11th year, the popular annual event will return with a change of location this year to accommodate COVID-19 restrictions. People of all ages and abilities will gather at the Mannum Football Oval on Sunday, 27 February for a morning of fun and fitness.

The free event features seven categories – a 3km walk, 3km run, 3km gopher, 5km walk, 5km run, 10km run, and novelty competitions – ensuring there's something for people of all ages and abilities.

Younger competitors have their own challenge in the Under 10s Kids' Dash and Under 10s Kids' Vortex competitions, while all other participants can show off their abilities in the footy-kicking competition.

After the main event, the Mannum Lions Club will be preparing a free healthy breakfast for participants – so stay and enjoy a tasty and nutritious start to the day, while connecting with others in the community.

Mid Murray Council Mayor Dave Burgess says the event is a great way for people to come together and enjoy an active morning in the beautiful surrounds of Mannum.

"A healthy community is a happy community," Mayor Burgess says. "Events like these create a safe and fun space for everyone to prioritise their health, whatever their level of ability.

"Whether you're coming to challenge yourself physically with a long run in our picturesque town, or you want to get a group of friends or family together for a relaxing stroll – the day has a category to suit anyone.

"It's also a great way to get out, connect with others and bring our community closer together.

"In past years many participants have listed the post-run breakfast as a highlight, because they can all feel a sense of achievement that they've completed something together."

Registrations open at 7.30am, followed by a group warm-up at 8:20am and an 8.30am race start.

While the day is free, gold coin donations are appreciated to support the event.

Appropriate COVID-19 measures will be in place at the event. Please do not attend if you are unwell or are required to isolate.
